What are the Coppieters Awards?

The Coppieters Awards are an initiative of the **Coppieters Foundation** to honour individuals and organisations that, like Maurits Coppieters himself used to, stand for the defence of cultural and linguistic diversity, inter-cultural dialogue, self-determination, the rights of minorities, peace, democracy and a united Europe.

The main objective of the Coppieters Awards is to give recognition to individuals and organisations that have successfully managed to find innovative ways to advocate for and embody these values.
